Playground	Spring is finally here and that means we'll be playing outside even more. Just a reminder that children <u>MUST</u> wear rubber-soled shoes for outdoor play. Crocs and sandals, though fashionable, are very hard for the children to run in. We see lots of falls when kids are wearing these shoes, so for safety's sake, throw a pair of sneaks in your child's backpack and we can help him/her change right before outside time.	
Summer Program	Some weeks are still available.	
Sunblock	PLEASE remember to send your child with SUNBLOCK ON . Extended Hours Friends... If they are here for extended hours in the afternoon, please send in a bottle of sunblock so we can reapply after rest. Thank you!

Book Nook

Few things leave a deeper mark
on the reader, than the first book
that finds its way to his heart.

-Carlos Ruiz Zafron-

When Wink learns to be himself,
his grandmother tells him,
"Your smile has come home."
Read this book to learn
Grandmother's other
words of wisdom.
